Dear Memory Community

I'm writing to express my interest in the recently advertised IAM Board role to represent my country Morocco and my continent Africa. I believe I could bring valuable skills and experience to the IAM that would make me an ideal fit for this position.

I have started my experience as an athlete since 2013, then as an arbiter and also an organizer in the Memory championships field and in this time I have participate in many actions with IAM (PR& Social Media committee, translation and also as an athlete), also since 2019 I started to serve the community as IAM Board.

As I believe in the IAM purposes, I feel confident to help to improve this sport in my country, my continent and all the world.

With my experience of Coaching Moroccan athletes and training them I believe that I have what to give to this community

Thank you for taking the time to consider my application, and I look forward to hearing from you.

Yours sincerely,

Charifa SOUISSI
